Todays sale in Christchurch saw the prices remaining firm. The sale saw some good competitive bidding but only to the price range of last weeks South Island sale. Exporters again asking when the pre-lamb wools will be arriving ~ This is due to a shortage of good colour, low VM wools on the market at present.

South Island has a three week gap until our next sale on the 26 June ~ Next Sale is in the North Island on the 12th June with 7,750 bales rostered.
