The first wool auction of the new year was held in Napier today with 7,000 bales on offer. The market has continued its strong momentum from sales in November and December with significant lifts today. Strong competition from a full bench of buyers has seen prices continue to get dearer for all types ~ The tendency continued throughout the sale with 100% of the lots on offer being sold. Good lifts were on offer for good coloured 2nd shear and fleece increased 2.5% ~ 1st Lambs increased 3% ~ Oddments were fully 5% dearer.

Next sale is in Christchurch 15th January with 6,200 bales on offer.
